

Three hexagonal images are arranged vertically on the left side of the page. The top image shows a male caregiver in scrubs assisting an elderly woman in a wheelchair outdoors. The middle image shows a female caregiver in scrubs sitting and talking to an elderly woman. The bottom image shows three healthcare professionals (a doctor and two nurses) smiling and talking in a clinical setting. The images are partially overlaid by semi-transparent blue and yellow hexagonal shapes.

## Our Services Include:

### Interim Leadership and Direct Care Staffing

When vacancies disrupt care and performance, speed and experience matter. LeaderStat provides highly vetted interim leaders and direct care professionals who step in seamlessly to maintain compliance, support teams, and ensure continuity of care. From Administrators and Directors of Nursing to MDS Coordinators and frontline clinical staff, we deliver the right talent at the right time to keep your organization moving forward.

### Executive Recruitment

Exceptional experiences start with exceptional leaders. Our Executive Search team identifies transformational leaders who align with your culture, mission, and long-term strategy.

- **Contingent Search:** Flexible, performance-based search for critical leadership roles.
- **Retained/Dedicated Search:** A consultative, fully engaged partnership designed for complex or high-impact executive placements.

We don't just fill roles. We build leadership teams that drive quality, retention, and financial performance.

### Workforce Solutions

We offer total workforce solutions, tailored to your specific staffing needs. We are committed to offering robust, realistic strategies to get you back to operating at optimal levels. We help you strengthen your workforce at its core with customizable solutions, including Customized Recruitment and Hiring Consulting, Managed Service Provider (MSP) Program, Certified Medication Aide Program (MA-C) and Recruitment Process Outsourcing (RPO) Services.
