

LeaderStat

Leadership Solutions for your healthcare organization

Interim Acute Leaders

When your organization has an interim acute leadership role, LeaderStat is here to help. We serve as your partner throughout the entire assignment, from the initial placement, to onboarding and travel needs, to anything that may need addressed or corrected.

Permanent Acute Leaders

An acute leader vacancy can impact healthcare organizations and the care they provide. LeaderStat is ready to support your team through our robust network of highly qualified healthcare professionals that can be placed anywhere in the country, quickly. Our permanent acute care professionals thrive in fast-paced and challenging environments.

Recruitment Process Outsourcing

Our RPO is a partnership that is built on the alignment of strategic initiatives through effective collaboration, open and honest communication, and shared resources. Our RPO team works as an extension of your HR department and takes on responsibilities such as job posting, candidate sourcing, screening, interviewing, and onboarding.

Travel Nursing and Allied Professionals

We specialize in recruiting highly qualified, experienced travel nurses and allied professionals who are committed to your organization's success. Our extensive pre-screening process ensures that our travel nurses have excellent clinical, analytical, and communication skills which make them able to jump into a new environment and get up to speed quickly.

Why LeaderStat?

For over 20 years, LeaderStat has served as a trusted partner to the healthcare industry. We offer solutions tailored to your organization's specific needs. LeaderStat is committed to offering robust, realistic strategies to get you back to operating at optimal levels.
