

Streamline Staffing with LeaderStat's Agency Control Program

One Partner. Complete Workforce Coverage.

LeaderStat delivers end-to-end management of your contingent staffing needs – so you can focus on providing exceptional care.

Benefits

Think of LeaderStat as the sole point of contact for contingent staffing needs. We are helping **hospice providers** consolidate all agency vendors into:

- ✓ **One invoice, one contract, one point-of-contact**
- ✓ **Unlimited visibility and access to compliance documents**
- ✓ **One shift entry**
- ✓ **Access to a vast talent pool**
- ✓ **Real-time reporting**
- ✓ **Market-rate oversight and vendor accountability**

This isn't about increasing agency usage. It's about reducing chaos, protecting margin, and giving owners back control.
