

# LET'S GET TO THE CORE OF YOUR STAFFING CHALLENGES

## Your Trusted Staffing Partner

For more than 25 years, LeaderStat has been a trusted advisor to healthcare organizations nationwide, **delivering high-impact leadership solutions** when and where they're needed most.

## Interim Leadership Solutions

When stability and expertise are critical, our Interim Leadership team is ready. We provide **experienced healthcare leaders** — from **clinical directors** and **facility administrators** to **regional and C-suite executives** — who can step in immediately to lead teams, manage transitions, and drive performance. Whether you're *navigating a vacancy, expansion, or crisis*, our interim leaders bring confidence and continuity.

## Executive Recruitment

Long-term success starts with the right leadership. LeaderStat's Executive Search division specializes in identifying and securing permanent leaders who align with your *mission, culture, and strategic goals*. We recruit for **key facility-level positions, senior leadership roles, and executive-level positions** including C-suite – ensuring you have the right talent in place to deliver results.

With a deep understanding of the industry and a consultative approach, we help you build strong, lasting leadership teams.
